BE INSPIRED. GET CONNECTED. WALK MS.

Walk MS connects people living with MS and those who care about them. It is an experience unlike any other — a day to come together, to celebrate the progress we've made and to show the power of our connections.

A WORLD FREE OF MS

Early and ongoing treatment with FDA-approved therapy can make a difference for people with multiple sclerosis. Learn about your options by talking to your health care professional and contacting the National MS Society at nationalMSsociety.org or 1.800.344.4867.
